Faerie Tea

Our Faerie Tea is truly a magical time spent with like minded folk who know that Magic is but a blink away. Change your consciousness, and magic appears all around.

After you have made your magic wand the faerie's Bubbles Scavenger Hunt leads you through the garden. Then relax in the shade on the front deck or in our newly constructed Tree House, which are transformed for the occasion.

Enjoy the special "Sunshine Tea" and treats as you make a faerie flower card to take home with you. If you listen carefully you will even hear special Faerie Tales!

Now in our Fifth year, we offer our theme parties only for your personal event, birthday or family get together.
