Our Mission Statement  
to host

Small weddings up to 50 guests,  
stressing a balance between  
humanity and nature.

Simple, organic weddings that are  
Eco Chic.

Marry your sweetheart  
...under the trees  
...under the stars  
AND  
show love for our planet as well!

Always... Affordable!

Rural Rootz is a Hundred Acre  
Nature Reserve located on an  
escarpment ridge overlooking  
Warton, Ontario.

Here you will find a passive solar home  
built by life long conservers who  
understand that our planet is "prime".

The beauty of the Bruce Peninsula lies  
all around us. The majestic cliffs of  
Georgian Bay are minutes to our east  
while to the west lie the white sands of  
Sable Beach.

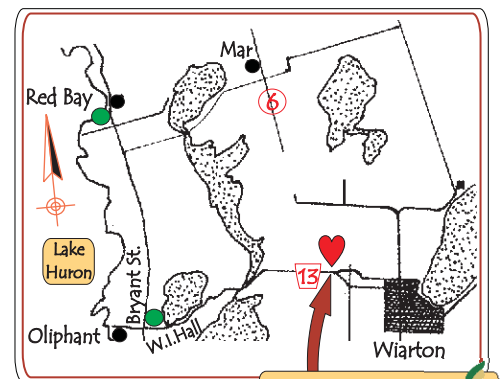

The Gardens of Rural Rootz

The conscientious bride and groom  
will enjoy having both  
the ceremony and reception  
right here in the gardens of  
Rural Rootz.

We work with you to make this the  
perfect, sustainable party that is  
both elegant and organic  
not to mention fun!  
Your small, simple wedding  
will not  
"COST THE EARTH!"

Look for this sign  
on County Rd. 13  
(Jenny Street)
